Bill:

The attached list contains items recommended by employees for inclusion in the New Building time capsule. As you will note, there are a wide variety of suggestions. We are limited in space so cannot store a large number of items.

Would you please mark any of the attached items that you would like to be stored. The ones marked in yellow were selected by John McMahon. I am soliciting suggestions from the other senior officers.

/s/ Harry

3. - A CIA medallion to honor all employees.
(Submitted by , OC/CSD).

4. - FBIS field coverage schedule. The publication is a sensitive and comprehensive reflection of what is of concern to the intelligence community at this time (copy sent by suggestor).

- One copy of an FBIS Daily Report.
(Submitted by FBIS).

5. - Personnel Management Handbook.

- In Search of Excellence documentation.

-

- Office/Directorate strategic plans.
- Consider microfiche storage of paper documents.
(Submitted by Pete D., OC/CSD).

6. Microfiche of unique documents.
(Submitted by DD/OS/PTAS).

7. - A collection of articles from the Post or Times of special interest to the Agency on the cornerstone date. It would be interesting to future Agency people to see what issues we were concerned with "way back then."

- Agency telephone directory.

- Photographs of Headquarters before new construction began, including aerial views.

(Submitted by [] NPIC/ESG/GAPD/RSB).

8. A microfilm/microfiche list of the true names of all of the Agency's employees as of the date of capsule emplacement.
(Submitted by [])

9. - A 3380 direct access storage device--the mainstay of our computer storage capabilities.

- The computer code for the Agency's payroll system (not the data, just the program code).

(Submitted by [])

10. A copy of the Groundbreaking Photographs booklet from the 24 May 1984 ceremony.

(Submitted by [])

11. A copy of the 1984 special issue of Studies in Intelligence, "OS Intelligence and Vietnam" (copy forwarded by suggestor).
(Submitted by [] OTE/CSI).

12. An employee badge.

(Submitted by [] SOVA/DEIG/DEA/SA).

13. An annual salary rate card for 1985.

(Submitted by [] DDO/IMS/OG/DMSE).

14. List major accomplishments by department, including and emphasizing technological advances. i.e. -

o S&T - []

o DO/DI - Human intelligence gathering.

o DA - OC message handling capacity.

o Suggest storing info on cassette or video cassette tape.
(Submitted by [], 1A53 Hqs).

15. A copy of "A Style Manual and Writers Guide for Intelligence Publications". Suggestor indicates it should be interesting to users of the future Agency style books, writers, editors, etc. to see how (or whether) our "living language" has changed by their time since 84/85.

(Submitted by [] Senior Editor, DDI/CPAS).

16. A copy of the recent DDI publication "Indications of Political Instability in Key Countries" shows Agency effort to avoid foreign policy surprises. Publication is one of the most complex products handled by graphics and printing people. It makes use of the most sophisticated equipment we have in this field.

(Submitted by [] OGI/FSIC/PI).

17. A copy of the book "In Search of Excellence", by Tom Peters. (Submitted by [] AB/OCR).

18. Include some item concerning the fact that in 1984 Americans elected a former Director of the Agency to the second highest office in the land; namely, the Honorable George Bush, now Vice President of these United States!

(Submitted by [] OLL/ADMIN).

19. - A parking permit.
- A memo.
- A vacancy notice.
- An NID or PDB on memorable historical situations

Submitted by []

20. A rosebud to commemorate the project or codename by which some applicant cases were referred during 1985 in memory of the effort that was put forth to staff the Agency.

(Submitted by [])

21. CIA Fact book (copy attached). (Submitted by [] DD/PAB).

22. - Copy of "The Field Guide for Logistics Personnel".
- Copy of "Budgeting and Funding for Material Procurement".
- Copy of "Government Liability for Personal Property Claims".
(Submitted by [] C/IMSS/OL).
